

## King's Academy Easthampstead Park

It takes a whole community to raise a child.

Dear Parents/Carers

In Science, we are determined that students will be well prepared for their GCSE examinations. Experience has shown us how incredibly useful revision guides can be in supporting students' progress in class and when studying independently at home.

The CGP revision guides follow the AQA specification exactly. They are written in student-friendly language and break up the content into manageable parts for students to work through one at a time. There is also an online version of the revision guide provided for free using a unique code inside each book.

**The cost is £6.35 (RRP £11.99) and the book you are buying is called GCSE Combined Science AQA Revision Guide – Foundation / Higher - includes Online Edition, Videos & Quizzes.**

Please use your ParentPay account to purchase and we will place a bulk order for the whole year group. If you require your ParentPay activation details, please email [trips@kgaeasthampstead.uk](mailto:trips@kgaeasthampstead.uk). The bulk order will be placed on Monday 21<sup>st</sup> October.

Best wishes, KAEP Finance
