

King's Academy Easthampstead Park

It takes a whole community to raise a child.

Good afternoon,

We have had a few local residents contact us over concerns with vehicles coming from the school site, and in the local area. Could I please ask all parents that are driving to and from school to be mindful of local traffic regulations, and if you are parking near the school, please be aware if you are blocking roads or driveways. We also have a lot of children cycling to school, which is wonderful, but can parents please check their road safety with them. We had a near miss with a car and bicycle reported to us yesterday, and we would hate for any of our children to be injured.

Thank you

Michelle Lewis
