Dear Parents/Carers

## KAEP6 Year 13 Pre-Public Exams 18 - 25 November 2024

With the main A level exam season only a few months away, we have our final set of Pre-Public Exams (PPE's) starting on 18 through to 25 November 2024. Please keep this letter, as it does contain useful information for you which will help support your young person.

Firstly, I would like to congratulate the students on their superb commitment and attitude towards their study and exams, taking up opportunities, either before and/or after school, private study and intervention sessions, across their subjects.

I would like to thank you for your continued support during this academic journey, and remind you it is important that we all continue to work together to help your child achieve success, providing the support they need during this time and the build up towards the final exams.

Students should be looking at working through Uplearn, practice exam papers, flash cards and revising in preparation for the up and coming exams in November 2024.

### Exam Format

All students will be on study leave during the PPE week, **Monday 18 - Friday 22 November (Week A)**.

1. The exams will start at **8.30am** or **1.30pm**.
2. Students are to arrive for their exams **15 minutes** prior to the start.
3. The majority of the exams will take place in the **Common Room**.
4. The study room will be available from 7.30am throughout the week.
5. From **Monday 25 November (Week B)**, students will return to our normal school start time of **8.40am**
6. If studying Geography, Biology or Functional Maths then students will attend their exams on the 25 November instead of going to their lessons.
