Dear Parents/Carers

### **Surrey University - Year 10 Realise Your Potential**

At King's Academy Easthampstead Park (KAEP), we have developed an outstanding formal partnership with Surrey University to support the academic aspirations of all our students. Part of this is a bespoke Year 10 extracurricular programme. The programme is fully funded and offers travel to the university.

**Year 10 Realise Your Potential** – From January to March, Realise Your Potential, through our Saturday morning programme, will support both you and your household with understanding your options beyond GCSE study. You will be invited to attend a range of workshops, webinars, and masterclasses, along with access to online resources designed to further inform your own aspirations and choices. You will then be invited to present and reflect on your experience as part of your Graduation.

To be eligible to apply, you must be in Year 10 and meet one of the following eligibility criteria. The document link below provides this information.

If you are eligible, this is a great opportunity. It is the product of a strong relationship with the university that will support students through Year 11. Applications close on 18 December 2024, so please enquire quickly to ensure involvement.

If you have any questions, please do not hesitate to contact me at [richard.lake@kgaeasthampstead.uk](mailto:richard.lake@kgaeasthampstead.uk).

Yours faithfully
