Dear Parents/Carers of the Class of 2024

### **Collection of GCSE Art, Photography, and 3D Design Work**

The grades have been opened, the exhibition has been hung and your child has now moved onto the next stage of their education either with us at KAEP6, in an apprenticeship or another sixth form college.

In accordance with AQA guidance, we are now permitted to release practical work produced in any of our Art and Design endorsements from the summer 2024 results.

We request that any work produced for GCSE Fine Art, Photography, or 3D Design be collected from school reception by Thursday, December 19<sup>th</sup>. We require 48 hours' notice, by email, to their old teacher and our technician to ensure work is collated and put in reception for easy collection. Work not collected by this date will be recycled due to a shortage of storage space.

Thank you for supporting your child through their GCSEs at KAEP and we hope you can enjoy their GCSE work at home as we enjoyed watching them produce it and displaying it in our exhibition in July.

Yours sincerely
