20 January 2025

Dear Parents/Carers,

******LIMITED PLACES: 30 places available on a first come, first served basis via ParentPay******

Re: Surrey University Physics Day – Wednesday 29th January 2025

On Wednesday 29 January 30 students have been invited to attend a Physics Day at the University of Surrey. This will be a unique opportunity to carry out experiments in world University standard laboratories. The trip also includes free lunch along with transport provided by the University.

The trip is completely free to attend, and a complimentary lunch will be provided by the University. We will be travelling by coach, leaving school at 09:00am and returning for around 3.10pm. There are only 30 spaces available for this activity.

Students should wear school uniform and bring their pencil cases, a water bottle and snack for the break.

This trip is free of charge, however, to enable your child to participate, please complete the emergency contact and medical details section on your ParentPay account. You are also asked if you agree to your child being photographed/recorded which may be used on social media. Please complete this information by Sunday 26th January 2025.

Should you have any questions please do not hesitate in contacting me via email at Richard.Lake@kgaeasthampstead.uk

Yours sincerely,

Richard Lake
