Dear Parents/Carers

British Heart Foundation CPR Lesson Key Stage 3

CPR is one of the most important lessons a student can learn. Students will take part in a Classroom Revive training session on Criss Cross Day, Thursday 27th February.

Students must bring their school bags with a cushion or jumpers inside so the bag feels stuffed as this will help them make the most of the experience.

The lesson forms an important part of our PSHE provision for Health and Wellbeing, equipping all our KS3 students with a most valuable skill.
