CALENDAR

hope you all had a wonderful time with your families, despite the recent poor weather. As I write this, we are hopeful that the heating issue in one block has been resolved, but if not, we will keep parents informed. A huge well done to our exam groups for completing their PPEs now is the time to really focus on revision, as there is still a great opportunity to improve grades, but only with dedicated effort. Year 11 students should have received a prom letter regarding payments, so if you haven't, please speak to the finance team. This half-term may be short, but it is packed with exciting opportunities for students to get involved in. The House point competition is as competitive as ever, with rankings shifting weekly—keep up the great work by demonstrating respect, success, and worldliness. These daily habits not only enhance your learning and behaviour but also contribute to your House's success. Let's make this half-term a great one!

Welcome back to school after the half-term break! We

NEWS and ANNOUNCEMENTS

Thank you to everyone that came to the School of Rock auditions, we have some amazingly talented students. If your child missed it, there is another round on Monday 24th February at 3.20 PM

Don't forget to sign up to our Sorrento trip. Details have been sent to parents of eligible students

Congratulations to Anesu who came second in the young chefs competition in Newbury, hopefully securing his spot in the next round.

We would love as many of you as possible to sign up for the eco rewards. By walking, cycling, or using public transport, you can earn points and redeem rewards at local shops and businesses!

Our students are successful

Sparx Maths

Please encourage your children to complete their Sparx Maths and keep up to date. It's an incredibly useful tool, and remember, there are rewards or sanctions for the work completed or not completed.

The top performing classes, with the most completed last week, are

11x1

Extra Curricular Clubs

Participating in extracurricular clubs offers numerous benefits for students, extending far beyond academic achievements. These clubs provide a platform for students to explore their interests, develop new skills, and foster a sense of community. By engaging in activities they are passionate about, students can enhance their creativity and critical thinking. Leadership roles within clubs teach responsibility, teamwork, and communication skills, which are invaluable in both personal and professional realms. Additionally, extracurricular involvement can improve time management as students balance their academic responsibilities with club commitments. Overall, these clubs enrich the educational experience, helping students to grow holistically and preparing them for future challenges.

Sports Clubs

Joining sports clubs offers a myriad of benefits that contribute to both physical and mental well-being. These clubs provide an excellent opportunity for regular exercise, which is essential for maintaining good health and fitness. Participation in sports fosters teamwork, discipline, and perseverance as athletes work together towards common goals and strive to improve their skills. Sports clubs also help in building strong social connections, promoting camaraderie and friendships that can last a lifetime. Additionally, being part of a sports team can boost self-confidence and relieve stress, as the physical activity releases endorphins and provides a constructive outlet for energy. Ultimately, sports clubs enhance the overall development of individuals, instilling valuable life skills and promoting a healthy, active lifestyle.
