25 February 2025

Dear Parents/Carers

**Re: Year 9 STEM Day Wellington College – Tuesday 1st April 2025**

The Science Department would like to invite your child to attend a STEM Day at the Wellington College Student Alliance on Tuesday 1<sup>st</sup> April 2025. The STEM Day for Year 9 students will focus on hands-on activities using Science and Technology, designed to raise aspirations for the future, with a series of sessions to be delivered by teachers from Wellington College.

Students will be leaving school at 9am, travelling to the event by school minibus and returning to school by approximately 3.15pm.

Students will need to bring water in their own water bottles. Lunches will be provided; however, your child is welcome to bring their own lunch if they prefer. Vegetarians will be catered for and the College is a nut free environment. Students must wear school uniform, and bring their tools for learning.

**This trip is free of charge, however, to enable your child to participate, please complete the emergency contact and medical details section on your ParentPay account. You are also asked if you agree to your child being photographed/recorded which may be used on social media. Please complete this information by Tuesday 19th March 2025.**

Please do not hesitate to contact me via email at [richard.lake@kgaeasthampstead.uk](mailto:richard.lake@kgaeasthampstead.uk) if you wish to discuss the opportunity further.

Yours sincerely

**Mr Lake**
